Balances transferred will remain at 3.99% APR for 12 months from the first balance transfer and then the rate will go back to the original rate listed on your statement. Transfers cannot exceed credit line. For each credit card balance to be paid, please supply a copy of your most recent credit card statement. Internal balance transfers are not eligible. It is your responsibility to verify that the credit cards are paid in full. Stanwood Area FCU reserves the right to refuse any balance transfer requests.
