**OCTOBER 2023**

## ANNUAL MEETING

**Date and Time:** April 13, 2023 at 10:00 a.m.

**Location:** Stanwood Area Federal Credit Union Office • 444 Arona Road, New Stanton, PA 15672

There are two board seats up for election. The seats are for a 3 year term. If interested in being on the board please submit your request along with a resume to the branch: Attn. Nominating Committee, 444 Arona Road, New Stanton, PA 15672.

**Reminder: To be a voting member you must be the primary owner on the account and 18 years or older.**

## IDENTITY VERIFICATION

Credit Unions are required to obtain, verify and maintain current information on individuals conducting financial transactions in accordance with CIP (Customer Identification Program). Which means we may need to update your photo ID in our system.

We may ask for your ID when you conduct transactions such as large withdraws, ordering checks, ordering a debit card, etc.

We will be conducting our annual ID Verification over the next several months. Any information we collect from you is always safe and secure. Our efforts to update and validate our members information applies to all members - regardless of whether you've banked with us for 20 years or 2 months. So although it can be sometimes frustrating, please do not look at it as an inconvenience but rather our way of protecting your money and identity when you bank with us.

## Financial Security Tip

At Stanwood, financial security is important to us and we're constantly taking steps to protect you from the threats of fraud and scams. With this in mind, here's this newsletter's financial security tip to help keep you safe!

Tip: Be aware of gift card scams. In these scenarios, scammers will create a sense of urgency, tell you which gift cards to buy, and then ask for the card number and PIN code. Doing this is the same as giving the scammer cash and we have no way to get those funds back for you. To summarize, if anyone calls you and asks you to pay in gift cards, it's usually a scam.
